Engineering

# Call for Applications: Deep Learning IndabaX Namibia 2024

We are thrilled to announce that the **Deep Learning IndabaX Namibia** will be hosted at NUST. This is an incredible opportunity for anyone passionate about Deep Learning, Artificial Intelligence, and Machine Learning. Join us for two days of **insightful talks, hands-on workshops, and networking** with industry leaders and fellow enthusiasts.

## Registration Details:

- Applications are open to everyone, from students to professionals.
- The deadline for applications is **Monday, 15 July 2024**.

Please **click here** or scan the QR Code to register  
(<https://indabaxnamibia.org/registration/>)

Tuesday, 23 July - Wednesday, 24 July 2024

High Tech Transfer Plaza Select (HTTPS), NUST Lower Campus
