Digital Arts and Animation (DAA) Short Courses

Still Open: 2027 Applications

The Department of Digital Arts and Animation (DAA) hereby invites applications for its 2027 Short Course Programmes. These industry-focused courses are designed to provide participants with practical skills and knowledge in animation, scriptwriting, and filmmaking.

Applicants may apply for the following short courses:

- ✔ Scriptwriting for Children's Television
- ✔ Scriptwriting for Film
- ✔ 2D Animation
- ✔ 3D Animation
- ✔ Foundation in Filmmaking

Admission Requirements:

- Applicants must be at least 18 years of age.
- Applicants must have basic computer literacy.
- Applicants must submit a completed application form and all required

Mode of Offerings:

- The offering of each short course is subject to meeting the minimum enrolment requirement of five (5) applicants and above.
- Full-Time and Part-Time

Selection and Registration:

Successful applicants will be notified after the application review process and will receive detailed information regarding registration, fees, and course commencement dates.
